

SUBJECT: Changes to SIAS Admission Requirements and Selection Criteria	CATEGORY: Academic – Programming	NO. A-1.5
---------------------------------------------------------------------------------------------	-------------------------------------------------------	--------------------------------

PREAMBLE

The lead-time for changes to SIAS admission requirements and SIAS selection criteria should allow for sufficient notice to communicate the changes and provide adequate time for applicants to complete new requirements without an unnecessary delay of their application for admission.

POLICY

Changes to admission requirements and selection criteria require a minimum of one academic year notice and are subject to the SIAS Academic Authorities Grid (A-1.1) approval process. This policy applies to SIAS applied certificate, certificate, advanced certificate and diploma programs.
