

The SIAST Business Division is proud to present

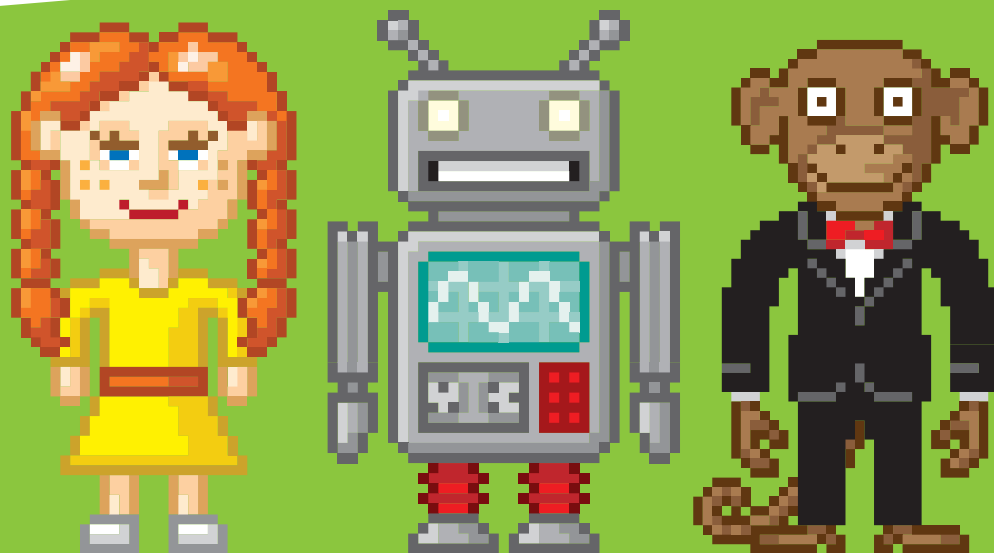

# PLAN PROGRAM PLAY

## 2011 Computer Game Programming Camp

**Interested in computers?**

**Interested in computer games?**

Come and join us at SIAST Palliser Campus for a 3-day exploration into the world of computer programming with a focus on games. You will configure and develop PC arcade games while learning the C# programming language.

**WHAT:** You will explore the fundamentals of computer programming while creating and modifying simple games. The world of computer gaming and the computer game industry will also be discussed, investigating topics such as the computer game job market, computer game advertising and distribution, and emerging computer interfaces like mobile devices, Wii, and Kinect.

**WHEN:** July 11, 12 and 13 from 9:30 a.m. - 3:00 p.m. (please bring a bag lunch)

**WHO:** Females and males in grades 9 and 10 (if other grades are interested please contact us)

**WHERE:** SIAST Palliser Campus

**DETAILS:** Cost is \$150.00. Minimum number of participants is 10 and maximum is 20.

Please call Bonnie at 691-8382 to register.
