Business Division

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Business	University of Lethbridge – Faculty of Management	24-March-09	SIAST graduates may be eligible to receive two years of block credit for business and business related diplomas to complete the bachelor of management degree (post-diploma) in two years.
Business (including: Business Certificate, Accountancy, Administration, Financial Services, Human Resources, Information Systems, Marketing)	University of Regina – Paul Hill School of Business	14-July-09	May be eligible for credit transfer towards the Bachelor of Business Administration
Business – (including: Accountancy, Administration, Financial Services, Human Resources, Information Systems and Marketing)	University Canada West	01-October-07	Transfer into 3 rd year of Bachelor of Commerce Degree with the requirement to complete an additional 60 cu as described in agreement. Can be completed online (two years plus residency requirement) or on-campus (one year). Upon completion can choose to obtain an MBA in one additional year.
Business Certificate	Briercrest College and Seminary	24-September-06	Reciprocal agreement for SIAST courses in accounting, business communications, computers, economics, finance, human resources, management and statistics
Business (Administration)	Athabasca University	02-April-09	May be eligible for block transfer of 60 cu towards Bachelor of Management and Bachelor of Commerce post-diploma programs.
Business (Financial Services, Marketing, Human Resources)	Athabasca University	25-November-09	May be eligible for block transfer of 60 cu towards the Bachelor of Management and Bachelor of Commerce Post-Diploma program.
Business Information Systems	Athabasca University	25-November-2009	May be eligible for block transfer of 60 cu towards Bachelor of Management and Bachelor of Commerce Pot-Diploma program
Computer Information Systems	University of Regina	01-March-04	CIS diploma program equivalent to first two years of Bachelor of Science in Computer Science department
Computer Information Systems	University of Lethbridge	01-November-00	Admission granted into two-year post-diploma Bachelor of Science in Computer Science

Community Services

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Aboriginal Police Preparation	University of Regina (U of R)	Spring 2009	Graduates of this program may be eligible to receive 21 credit hours of block transfer to the Bachelor of Arts (Justice Studies/Police Studies) degree at the university of Regina.
Addictions Counselling (Chemical Dependency)	Athabasca University	20-September-2004	List of block transfers currently in place (60 credits)
Addictions Counselling (Chemical Dependency)	Grant MacEwan	21-June-2001	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 Communications course.
Additions Counselling (Chemical Dependency)	University of Regina	02-May-2000	3 credit units for SW 417 and 6 credit units for non-designated social work course credit and can apply for exemptions of SW348 (6 cu) with portfolio.
Additions Counselling (Chemical Dependency)	Lethbridge College	01-June-2008	Block transfer into 3 rd year of a four year Bachelor of Applied Arts in Correctional Studies upon successful completion of SIAST diploma and completion of a two credit introductory course in Corrections (i.e. COR150: Introduction to Corrections or equivalent)
Correctional Studies	Lethbridge College	01-July-2010	May be eligible for block transfer towards the Bachelor of Applied Arts in Correctional Studies at Lethbridge College.
Correctional Studies	Royal Roads University	13-May-2010	SIAST graduates of the Correctional Studies Diploma program, with appropriate prerequisite qualifications, and provided all other entrance criteria are met and space remains available, are eligible for a block transfer into the 3 rd year of the Bachelor of Arts in Justice Studies Degree at Royal Roads University in the BA in Justice Studies program.
Correctional Studies	University of Regina	13-June-2006	45 credit hours of block transfer into the Bachelor of Arts (Justice Studies) degree.
Correctional Studies	Athabasca University	01-August-2004	Block credit transfer of 60 cu into BPA (Human Services, Criminal Justice, Governance Law and Management).
Correctional Studies	Grant MacEwan	21-June-2001	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 communications course.
Educational Assistant	University of Regina	24-June-2004	SIAST CLTR 180 = ECCU200 (3cu); HUMD 181 and HUMD 280 = EPSY 205 (3cu)
Food and Beverage Service	Saskatchewan Apprenticeship	26-April-2001	60 credit hours granted to SIAST Good and Beverage Applied Certificate program graduates; graduates need to complete: 1) their

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
			hours, 2) second certifications and 3) workplace evaluations to be eligible for journey person status.
Food and Nutrition Management	Athabasca University	04-February-2011	SIAST's Food and nutrition Management 2 year diploma toward Athabasca University's bachelor of Management, Bachelor of Commerce, Bachelor of Human Resources and Labour Relations program.
Food and Nutrition Management	University of Saskatchewan	01-May-2000	21 cu towards the Bachelor of Science in Nutrition
Graphic Arts Production Diploma	Athabasca University	01-August-2004	Block credit transfer of 60 cu into BPA (Communication Studies)
Hotel and Restaurant Administration	University of Calgary	23-November-2000	Full 2 year block transfer into 3 year of 4 year Bachelor of Hotel and Resort Management
Hotel and Restaurant Administration	Athabasca University	01-August-2004	Block credit transfer of 60 cu into BPA (Communication Studies)
Hotel and Restaurant Administration	Royal Roads University	01-October-2008	Block transfer into third year of a four year Bachelor of Arts Degree program in International Hotel Management
Library and Information Technology	Athabasca University	20-September, 2004	Block credit transfer of 60 cu into BPA (Communications Studies)
Library and Information Technology	University of Regina	15-July-2002	LIT 183 = ELIB 326 LIB 182 = ELIB 216
Library and Information Technology	University of Saskatchewan	01-May-2000	Transfer credit for 7 courses: English, native Studies, Psychology, History and Canadian Government.
Recreation & Tourism Management	Vancouver University (VIU)	08-January-2010	May be eligible for block credit transfer towards the Bachelor of Tourism Management Degree
Recreation & Tourism Management	University of Caribou	02-July-2001	51 cu into Bachelor of Tourism Management
Recreation & Tourism Management	Medicine Hat College	01-September-2007	Block transfer into third year of Bachelor of Applied Science (Ecotourism & Outdoor Leadership) degree program with additional requirements.
Recreation & Tourism Management	Athabasca University	20-September-2004	60 cu in BPA-Communication Studies
Recreation & Tourism (Recreation & Leisure)	University of Manitoba	23-April-2001	Credit transfer available into Faculty of Phys. Ed and Recreation Studies.
Recreation & Tourism (Recreation & Leisure)	University of Regina	01-August-2005	60 cu into RSAD
Recreation & Tourism Management Diploma	University of Regina	12-July-2007	Block transfer agreement into third year of the Bachelor of Kinesiology degree with Recreation and Sport Administration Major (RSAD)
Rehabilitation Worker	Athabasca University	20-September-2004	List of block transfers currently in place (60 credits)
Rehabilitation Worker	Gran MacEwan	21-June-2001	Graduates are eligible for admission to the Bachelor of Applied

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
			Human Service Administration Degree program and have one year to complete the necessary English 111 communications course.
Therapeutic Recreation	University of Regina	31-August-2005	Block transfer agreement for up to two years (60 credit hours) towards the Adapted Physical Actual area of concentration of the BPAS program
Youth Care Worker Diploma	Athabasca University	01-August-2004	Block credit transfer of 60 cu into BPA Human Services)
Youth Care Worker Diploma	Grant MacEwan	21-June-2001	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 communications course.
Youth Care Worker Diploma	Lethbridge Community College	01-July-2010	May be eligible for block transfer into the 3 rd year of the Bachelor of Applied Arts in Correctional Studies.

Nursing

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Advanced Diabetes Education for Health Care Providers	Athabasca University	12-June-2006	Nine credits towards the University of Athabasca BN (post RN)
Basic Critical Care Nursing	Athabasca University	01-April-2008	SIAST graduates will receive credit for NURS 326 and another third year nursing course in the POST RN Bachelor of Nursing Degree.
Occupational Health and Safety Practitioner	Algonquin College	31-August-2006	Graduates receive exemption from MGT5602 – Management Labour Concerns in Health and Safety.
Occupational Health and Safety Practitioner	University of Alberta	22-November-2006	Graduates given block credit for Introduction to
Perioperative Nursing	Athabasca University	21-April-2008	SIAST graduates will receive credit for a third year nursing course in the POST RUN Bachelor of Nursing Degree.
RN, 2year	Athabasca University	20-September-2004	List of block transfers currently in place (78 credits).

Science and Health

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Advanced Care Paramedic	University of Regina (U of R) and	Spring 2010	Graduates of this program may be eligible for a block transfer of 60

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
	First Nations University of Canada (FNUC)		credit hours to the Faculty of Kinesiology or Health Studies or Faculty of Arts at the University of Regina or the First Nations University of Canada.
Advanced Care Paramedic	Athabasca University	17-February-2010	May be eligible for block transfer of 60 cu towards Bachelor of Science – Human Science Post Diploma.
Biotechnology – 2 yr program	Athabasca University	05-January-2011	May be eligible for 60 credits towards Bachelor of Science – Human Science Post-Diploma program at Athabasca University.
Biotechnology	Royal Roads University	01-October-10	May be eligible for full block transfer into the third year of the BSc in Environmental Science and BSc in Environmental Management Degree at Royal Roads University in Victoria, BC
Biotechnology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed.
Chemical Technology – 2 yr diploma	Athabasca University	05-January-2011	May be eligible for 60 credits towards Bachelor of Science – Human Science Post-Diploma program at Athabasca University.
Chemical Technology	Lakeland College	01-September-1999	Evaluated on an individual basis. SIAST graduates awarded almost 2 full years of credit transfer, on the provision that they complete a four month summer remedial program before entering.
Chemical Technology	Lakehead University	14-April-1999	Evaluated on an individual basis. SIAST graduates awarded almost 2 full years of credit transfer, on the provision that they complete a 4 month summer remedial program before entering.
Chemical Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology degree with 39 credit hours (13 courses) to be completed.
Chemical Technology	University of Regina	08-May-2001	Diploma graduates have a minimum average of 60% may enrol in the third year of the four-year Chemical Technology Degree program (Faculty of Science).
Chemical Technology	University of Saskatchewan	01-May-2007	Block credit of 60 cu into the College of Arts and Science.
Chemical Technology	Royal Roads University	01-October-2010	May be eligible for full block transfer into the third year of the BSc in Environmental Science and BSc in Environmental Management Degree at Royal Roads University in Victoria, BC
Combined Lab & X-Ray Technology	Athabasca University	05-January-2011	May be eligible for 60 credits towards Bachelor of Science – Human Science Post-Diploma program at Athabasca University.
Combined Lab & X-Ray Technology	University of Regina (U of R) and First Nations University of Canada (FNUC)	Spring 2010	Graduates of this program may be eligible for a block transfer of 60 credit hours to the Faculty of Kinesiology or Health Studies or Faculty of Arts at the University of Regina or the First Nations University of Canada.
Cytotechnology	Athabasca University	05-January-2011	May be eligible for 30 credits towards Bachelor of Science – Human Science Post-Diploma program at Athabasca University

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Cytotechnology	University of Regina (U of R) and First Nations University of Canada (FNUC)	Spring 2010	Graduates of this program may be eligible for a block transfer of 60 credit hours to the Faculty of Kinesiology or Health Studies at the University of Regina or First Nations University of Canada.
Dental Hygiene	University of Regina	26-June-2009	Upon completion of the SIAST dental Hygiene program, graduates may be eligible for credit transfer towards the Bachelor of Health Studies.
Dental Hygiene	Athabasca University	20-September-2004	Block credit transfer of 60 cu to Bachelor of Science (Human Services: Post Diploma)
Health Information Management	University of Regina (U of R) and First Nations University of Canada (FNUC)	Spring 2010	Graduates of this program may be eligible for a block transfer of 60 credit hours to the Faculty of Kinesiology or Health Studies or Faculty of Arts at the University of Regina or First Nations University of Canada.
Health Information Management	University of Victoria	01-December-2001	SIAST graduates are evaluated on an individual basis and receive approximately 1 year toward a Bachelor of Arts degree in Health Information
Health Information Systems	Athabasca University	20-September-2004	24 cu Bachelor of Science (Post Diploma Human Science) or 24 cu Bachelor of Science (Human Science)
Medical Laboratory Technology	Athabasca University	17-February-2010	May be eligible for block transfer credit towards Bachelor of Science – Human Science Post Diploma
Medical Laboratory Technology	Southern Alberta Institute of Technology (SAIT), Red River College (RRC) Northern Alberta Institute of Technology (NAIT)	01-May-2000	Interprovincial transfer guide and joint curriculum development allows easier transfer credit between SIAST, SAIT, RRC and NAIT)
Medical Laboratory Technology	University of Regina	17-June-2008	Medical Laboratory Technology program graduates may enrol into the third year of Bachelor of medical Laboratory Science. Will be required to complete two clinical practices.
Medical Radiologic Technology	University of Regina	16-June-2008	Medical Radiologic program graduates may enrol into 3 rd year of 4 th year Bachelor program. SIAST graduates required to complete and pass a clinical practicum to be completed after year 3.
Medical Radiologic Technology Diploma	British Columbia Institute of Technology (BCIT)	25-May-2001	Graduates eligible to enrol in BCIT's Medical Imaging program courses and work towards a Bachelor of Technology degree in Medical Imaging.
Medical Radiologic Technology Diploma	Athabasca University	17-February-2010	May be eligible for block credit transfer towards the Bachelor of Science Human Science Post Diploma program.
Veterinary Technology Diploma	Athabasca University	17-February-2010	SIAST graduates may be eligible for block credit transfer towards the Bachelor of Science – Human Science Post Diploma
Veterinary Technology Diploma	University of Lethbridge	20-March-2001	Graduates are eligible to enrol in the University of Lethbridge two-year Post-Diploma Bachelor's degree in Agricultural Studies.

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Veterinary Technology Diploma	University of Saskatchewan	14-April-1999	Graduates are evaluated on an individual basis (SIAST graduates receive approximately 1 full year credit for their 2-year SIAST diploma)

Technology

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Architectural & Building Technologies	Memorial University	12-October-2007	Block Transfer into Bachelor of Technology degree with 39 credit hours (13 courses to be completed)
CAD/CAM Engineering Technology	Memorial University	12-October-2007	Block Transfer into Bachelor of Technology degree with 39 credit hours (13 courses) to be completed.
CAD/CAM Engineering Technology	Lakehead University	01-January-2007	Graduates may be eligible for advanced standing toward a degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post Diploma program typically consists of 2 years fulltime study preceded by transition courses. Check Faculty of Engineering website.
CADD Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed.
Civil Engineering Technology	Camosun College Bridging program into UBC	01-January-2005	Graduates with a cumulative GPA of 70% are eligible for entry into the Civil Engineering Bridging program at Camosun College. After completion qualified for entry into UBC engineering.
Civil Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology degree with 29 credit hours (13 courses) to be completed.
Civil Engineering Technology	Lakehead University	01-January-2007	Graduates may be eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post-Diploma program typically consists of 2 years fulltime study preceded by transition courses. Check Faculty of Engineering website.
Computer Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology degree with 29 credit hours (13 courses) to be completed.
Computer Engineering Technology	Lakehead University	01-January-2007	Graduates may be eligible for advanced standing toward a Degree in

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
			Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post-Diploma program typically consists of 2 years full time study preceded by transition courses. Check Faculty of Engineering website.
Computer Systems Technology	University of Lethbridge	01-January-2007	Admission may be granted into two0year Post-Diploma Bachelor of Science in Computer Science – see recent University calendar description.
Computer Systems Technology	University of Regina	01-March-2004	May be eligible for post-diploma admission into Bachelor of Science program in Computer Science for BST graduates. See University calendar description.
Computer System Technology	University of Saskatchewan (Computer Science)	17-September0-2008	Full block transfer of 54 cu (corresponding to a near third year standing) into the College of Arts & Science Computer Science program of Bachelor of Science, 4 year; Bachelor of Science Honours; Bachelor of Science Honours in Software Engineering (suggested enrolment into intersession and/or summer school before entering into third year). See agreement for details.
Computer-Aided Design & Drafting	Athabasca University	30-June-2005	30 cu into BMgmt
Electrical Engineering Technology	Lakehead University	01-January-2007	Graduates may be eligible for advanced standing towards a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post-diploma program typically consists of 2 years fulltime study preceded by transition courses. Check Faculty of Engineering website.
Electrical Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology degree with 39 credit hours (13 courses) to be completed.
Electronic Systems Engineering Technology	Lakehead University	01-January-2007	Graduates may be eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post-diploma program typically consists of 2 years full time study preceded by transition courses. Check Faculty of Engineering website
Electronics Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology degree with 29 credit hours (13 courses) to be completed.

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
Electronics Engineering Technology	Lakehead University	01-January-2007	Graduates may be eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post-diploma program typically consists of 2 years fulltime study preceded by transition courses. Check Faculty of Engineering website.
Environmental Engineering	Lakeland College	07-January-2005	Direct entry to Lakeland Bachelor of Applied Science: Environmental Management degree program.
Environmental Engineering Technology	Royal Roads University	01-October-2010	May be eligible for full block transfer into the third year of the BSc in Environmental Science and BSc in Environmental Management degree at Royal Roads University in Victoria, BC
Environmental Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed.
Forest Ecosystem Technology	University of Alberta	07-February-2005	May be eligible to transfer credit of 33 cu into either Bachelor of Science in Forestry or Bachelor of Science in Forest Business Management.
Forest Ecosystem Technology	University of Saskatchewan	23-April-2008	Block transfer of 57 to 60 cu into the College of Agriculture and Bioresources: 1) Bachelor of Science in Agriculture (Environmental Science major or 2) Bachelor of Science in Renewable Resource Management (Resource Science) program.
Geomatics Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed.
Geometrics Technology Diploma	British Columbia Institute of Technology	01-May-2007	Block transfer into third year of Geometrics Degree program.
Instrumentation Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology degree with 39 credit hours (13 courses) to be completed.
Integrated Resource Management Program	University of Regina	01-November-2007	IRM Diploma block transfers into third year of Bachelor of Science in Environmental Biology
Integrated Resource Management Program	University of Saskatchewan	23-April-2008	Block transfer of 57 to 60 cur into the College of Agriculture and Bioresources: 1) Bachelor of Science in Agriculture (Environmental Science major) or 2) Bachelor of Science in Renewable Resource Management (Resource Science) program.
Mechanical Engineering Technology	Lakehead University	01-January-2007	Graduates maybe eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post-Diploma program typically consists of 2 years full time

Program	Partner institution	Signing date	Description of transfer credits granted to SIAST graduates
			study preceded by transition courses. Check Faculty of Engineering website.
Mechanical Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed.
Resource & Environmental Law	First Nations University of Canada & University of Regina	04-September-2003	Transfer credit for Resource and Environmental Law Diploma program to a Resource & Environmental Studies degree: 2.5 years remaining to complete degree.
Resource & Environmental Law	University of Saskatchewan	23-April-2008	Block transfer of 57 to 60 cu into the College of Ag Bioresources: 1) Bachelor of Science in Agriculture (Environmental Science major) or 2) Bachelor of Science in Renewable Resource Management (Resource Science) program.
Water Resources Engineering Technology	Memorial University	12-October-2007	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed.
Water Resources Engineering Technology	Royal Roads University	01-October-2010	May be eligible for full block transfer into the third year of the BSc in Environmental Science and BSc in Environmental Management Degree at Royal Roads University in Victoria, BC

Updated: February 17,2011
