

SIAS Programs Recognized for Transfer Credit at Other Institutions

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Business and Entrepreneurial Studies	Business	Athabasca University(AU)	28-Sep-05	60 c.u. for SIAS Business Diploma toward a AU Bachelor of Management (Human Resources Management or Marketing) or Commerce (Accounting and e-commerce)
Business and Entrepreneurial Studies	Business	Athabasca University(AU)	30-Jun-05	60 c.u. for SIAS Business Diploma Marketing Specialty into AU Bachelor of Management or Bachelor of Commerce
Business and Entrepreneurial Studies	Business	University of Saskatchewan (U of S)		Transfer Credit granted for 14 SIAS courses
Business and Entrepreneurial Studies	Business	Minot State University		Transfer Credit granted for 15 SIAS courses
Business and Entrepreneurial Studies	Business	University of Lethbridge (U of L)		Transfer Credit granted for 31 SIAS courses
Business and Entrepreneurial Studies	Business	University of Regina		Transfer Credit granted for 35 SIAS courses
Business and Entrepreneurial Studies	Business	University of Saskatchewan	10-Jul-95	Block transfer credit of 30 c.u. into Business Certificate & Diploma Programs.
Business and Entrepreneurial Studies	Business (Human Resources)	Athabasca University	20-Sep-04	Block transfer of 60 c.u.
Business and Entrepreneurial Studies	Business (Marketing)	Athabasca University	20-Sep-04	Block transfer of 60 c.u.
Business and Entrepreneurial Studies	Business (Administration)	Athabasca University	20-Sep-04	Block transfer of 60 c.u.
Business and Entrepreneurial Studies	Business and Entrepreneurial Studies	Athabasca University		Transfer Credit granted for 33 SIAS courses
Business and Entrepreneurial Studies	Business Certificate Program	Briercrest College and Seminary	24-Sep-07	Reciprocal agreement for SIAS courses in accounting, business communications, computers, economics, finance, human resources, management and statistics--Refer to original document for details

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Business and Entrepreneurial Studies	Business (Administration)	University of Regina	21-Nov-95	30.c.u. toward first year of Administration Program, Faculty of Administration
Business and Entrepreneurial Studies	Business-Accountancy, Administration, Financial Services, Human Resources, Information Systems & Marketing	University Canada West	1-Oct-07	Transfer into 3rd year of Bachelor of Commerce Degree with the requirement to complete an additional 60 c.u. as described in agreement. Can be completed on line (two years + residency requirement) or on campus (one year). Upon completion can choose to obtain an MBA in one additional year.
Business and Entrepreneurial Studies	Computer Information Systems	Athabasca University	20-Sep-04	List of block transfers currently in place (60 credits)
Business and Entrepreneurial Studies	Computer Information Systems (CIS)	University of Regina	1-Mar-04	CIS Diploma program equivalent to first two years of Bachelor of Science in Computer Science Department
Business and Entrepreneurial Studies	Computer Information Systems	University of Lethbridge	1-Nov-00	Admission granted into two-year Post-Diploma Bachelor of Science in Computer Science
Community Services	Addictions Counseling (Chemical Dependency)	Athabasca University	20-Sep-04	List of block transfers currently in place (60 credits)
Community Services	Addictions Counseling (Chemical Dependency)	Grant MacEwan	21-Jun-01	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 Communications Course.
Community Services	Addictions Counseling (Chemical Dependency)	University of Regina	3-May-00	3 credit units for SW 417 and 6 credit units for non-designated social work course credit and can apply for exemption of SW348(6c.u.) with portfolio
Community Services	Addictions Counseling (Chemical Dependency)	Lethbridge College	1-Jun-08	Block transfer into 3rd year of a four year Bachelor of Applied Arts in Correctional Studies upon successful completion of SIAS diploma & completion of a two credit introductory course in Corrections (i.e. COR150: Introduction to Corrections or equivalent)
Community Services	Correctional Studies	Athabasca University	20-Sept-04	Block credit transfer of 60 c.u. into BPA(Human Services)
Community Services	Correctional Studies	Athabasca University	20-Sept-04	Block credit transfer of 60 c.u. into BPA(Criminal Justice)

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Community Services	Correctional Studies	Athabasca University	20-Sept-04	Block credit transfer of 60 c.u. into BPA(Governance, Law and Management)
Community Services	Correctional Studies	Grant MacEwan	21-Jun-01	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 Communications Course.
Community Services	Correctional Studies	Lethbridge Community College	9-Jun-05	Block transfer into the 3rd year of the Bachelor of Applied Arts in Correctional Studies.
Community Services	Correctional Studies	University of Regina	13-Jan-06	45 credit hours of block transfer into the Bachelor of Arts (Justice Studies) degree.
Community Services	Early Childhood Education	Grant MacEwan	21-Jun-01	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 Communications Course.
Community Services	Early Childhood Education	University of Regina	5-Jul-00	HUMD 181 will receive a transfer credit for EPSY 205 ECE certificate graduates will receive 6 credit hours for ECD120 & ECD121 for senior electives in the Elementary Program.
Community Services	Educational Assistant	University of Regina	24-Jun-04	SIAS CLTR 180 = ECCU200 (3c.u.); HUMID 181 + 280 = EPSY205 (3 c.u.)
Community Services	Food and Beverage Service	Saskatchewan Apprenticeship	26-Apr-01	60 credit hours granted to SIAS Food and Beverage Applied Certificate program graduates; graduates need to complete: 1) their hours, 2) second certifications and 3) workplace evaluations to be eligible for journey person status.
Community Services	Food and Nutrition Management	University of Saskatchewan (College of Pharmacy & Nutrition Division)	01-May-00	Graduates will receive 21 credits towards the Bachelor of Science in Nutrition
Community Services	Graphic Arts Production Diploma	Athabasca University	20-Sept-04	Block credit transfer of 60 c.u. into BPA(Communication Studies)
Community Services	Hotel and Restaurant Administration	University of Calgary	23-Nov-00	Full 2 year block transfer into 3 year of 4 year Bachelor of Hotel & Resort Management

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Community Services	Hotel and Restaurant Administration	Athabasca University	20-Sept-04	Block credit transfer of 60 c.u. into BPA(Communication Studies)
Community Services	Hotel and Restaurant Administration	Royal Roads University	1-Oct-08	Block transfer into third year of a four year Bachelor of Arts degree program in International Hotel Management
Community Services	Library and Information Technology	Athabasca University	20-Sept-04	Block transfer (60 credits) into the Bachelor of Professional Arts(Communication Studies) program.; Graduates to use PLAR for 2nd year entrance requirement
Community Services	Library and Information Technology	University of Regina	15-Jul-02	Lit 183 = ELIB 326. LIB 182 =ELIB 216.
Community Services	Library and Information Technology	University of Saskatchewan	1-May-97	Transfer: Credit for 7 courses: English, Native Studies, Psychology, History and Canadian Government.
Community Services	Professional Cooking	Northern Alberta Institute of Technology	23-Jun-04	Grads granted specific advanced standing into the 2nd year of Culinary Arts Program with additional requirements.
Community Services	Recreation & Tourism Management	Athabasca University	20-Sept-04	60 c.u. in BPA-Communication Studies
Community Services	Recreation & Tourism Management	University of Caribou	5-Jul-01	51 c.u. into Bachelor of Tourism Management
Community Services	Recreation & Tourism Management	Medicine Hat College	1-Sep-07	Block transfer into third year of Bachelor of Applied Science(Ecotourism & Outdoor Leadership) Degree Program with additional requirements
Community Services	Recreation and Tourism	Athabasca University	20-Sep-04	60 c.u. in BPA-Communication Studies
Community Services	Recreation and Tourism (Recreation & Leisure)	University of Manitoba	23-Apr-01	.u. into Faculty of Phys Ed and Recreation Studies
Community Services	Recreation and Tourism (Recreation & Leisure)	University of Regina	1-Jan-95	45 credit hours in Recreation Administration; 45c.u. Sport Administration; 39 in Adapted Physical Activity; 35 c.u. in Fitness & Lifestyle
Community Services	Recreation and Tourism (Recreation & Leisure)	University of Regina	1-Aug-05	60c.u. into RSAID

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Community Services	Recreation and Tourism (Recreation & Leisure)	University of Saskatchewan	1-Jan-95	33 Credit Hours - 11 courses in Kinesiology
Community Services	Recreation and Tourism , Co-op, 2 yr	Athabasca University	20-Sep-04	60 c.u.in BPA-Communication Studies
Community Services	Recreation and Tourism Management Diploma	University of Regina	12-Jul-07	Block Transfer agreement into third year of the Bachelor of Kinesiology degree with Recreation and Sport Administration Major (RSAD)
Community Services	Rehabilitation Worker	Athabasca University	20-Sep-04	List of block transfers currently in place (60 credits)
Community Services	Rehabilitation Worker	Grant MacEwan	21-Jun-01	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 Communications Course.
Community Services	Therapeutic Recreation	University of Regina	31-Aug-05	Block transfer agreement for o two years (60 credit hours) towards the Adapted Physical Activity area of the BPAS program
Community Services	Youth Care Worker diploma	Athabasca University	1-Aug-04	Block credit transfer of 60 c.u. into BPA (Human Services)
Community Services	Youth Care Worker diploma	Grant MacEwan	21-Jun-01	Graduates are eligible for admission to the Bachelor of Applied Human Service Administration Degree program and have one year to complete the necessary English 111 Communications Course.
Community Services	Youth Care Worker diploma	Lethbridge Community College	1-Jul-07	Block transfer into 3rd year of Bachelor of Applied Arts in Correctional Studies
Nursing	Advanced Care Paramedic	Athabasca University	20-Sep-04	List of block transfers currently in place (60 credits)
Science and Health	Advanced Diabetes Education for Health Care Providers	Athabasca University	12-Jun-06	Advanced Diabetes Education for Health Care Providers graduates (1 yr cert) granted nine credits toward the BN (post RN).
Nursing	Basic Critical Care Nursing	Athabasca University	21-Apr-08	SIAS graduates will receive credit for NURS326 and another third year nursing course in the POST RN Bachelor of Nursing Degree
Nursing	Perioperative Nursing	Athabasca University	21-Apr-08	SIAS graduates will receive credit for a third year nursing course in the POST RN Bachelor of Nursing Degree

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Nursing	RN, 2 yr	Athabasca University	20-Sep-04	List of block transfers currently in place (up to 78 credits)
Science and Health	Biotechnology	Royal Roads University	15-Jan-07	Block transfer credit into 3rd year of the Bachelor of Science Degree programs at RRU EET diploma
Science and Health	Biotechnology	Athabasca University	1-Dec-01	45c.u. Bachelor of Science (Post Diploma Human Science) or 45 c.u. Bachelor of Science (Human Science)
Science and Health	Biotechnology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Science and Health	Chemical Technology	Lakeland College	1-Sep-99	Evaluated on an individual basis. SIAS graduates awarded almost 2 full years of credit transfer, on the provision that they complete a 4 month summer remedial program before entering.
Science and Health	Chemical Technology	Lakehead University	14-Apr-99	Evaluated on an individual basis. SIAS graduates awarded almost 2 full years of credit transfer, on the provision that they complete a 4 month summer remedial program before entering.
Science and Health	Chemical Technology	Memorial University	12-Oct-07	Block transfer into bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Science and Health	Chemical Technology	Royal Roads University	15-Jan-07	Block transfer credit into 3rd year of the Bachelor of Science program
Science and Health	Chemical Technology	University of Regina	08-May-01	Diploma graduates having a minimum average of 60% may enroll in the third year of the four-year Chemical Technology Degree program(Faculty of Science).
Science and Health	Chemical Technology	University of Saskatchewan	1-May-07	Block credit of 60cu into the College of Arts & Science
Science and Health	Continuing Care Assistant (Home Care Special Care Aide)	Red River College, Alberta Vocational College, Vancouver Community College, and Camosun College	14-Apr-99	An Interprovincial Academic Partnership Agreement was established in 1998 between listed colleges. Graduates from partner programs receive full transfer credit.
Science and Health	Dental Hygiene Diploma	Athabasca University	20-Sep-04	Block credit transfer of 60 c.u. into Bachelor of Science(Human Services: Post Diploma)

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Science and Health	EMT-Paramedic	Athabasca University	20-Sep-04	60 c.u. Bachelor of Science(Post Diploma Human Science) or 60 c.u. Bachelor of Science (Human Science)
Science and Health	Health Information Management (Services)	University of Victoria	1-Dec-01	SIAS graduates are evaluated on an individual basis and receive approximately 1 year toward a Bachelor of Arts degree in Health Information.
Science and Health	Health information Systems	Athabasca University	20-Sep-04	24 c.u. Bachelor of Science(Post Diploma Human Science) or 24 c.u. Bachelor of Science (Human Science)
Science and Health	Medial Radiologic Technology Diploma	Athabasca University	1-Dec-01	60 c.u. Bachelor of Science(Post Diploma Human Science) or 60 c.u. Bachelor of Science(Human Science)
Science and Health	Medical Laboratory Technology	Athabasca University	20-Sep-04	60c.u. Bachelor of Science (Post Diploma Human Science) or 60 c.u. Bachelor of Science (Human Science)
Science and Health	Medical Laboratory Technology	Southern Alberta Institute of Technology (SAIT), Red River College, (RRC) Northern Alberta Institute of Technology (NAIT)	1-May-00	Interprovincial transfer guide and joint curriculum development allows easier transfer credit between SIAS, SAIT, RRC and NAIT
Science and Health	Medical Laboratory Technology	University of Regina	17-Jun-08	Medical Laboratory Technology Program graduates may enroll into third year of Bachelor of Medical Laboratory Science. Will be required to complete two clinical practices.
Science and Health	Medical Radiologic Technology	University of Regina	16-Jun-08	Medical Radiologic Program graduates may enroll into 3rd year of 4 year Bachelor Program. SIAS graduates required to complete and pass a Clinical Practicum-to be completed after Year 3.
Science and Health	Medical Radiologic Technology Diploma	British Columbia Institute of Technology	25-May-01	Graduates eligible to enroll in BCIT's Medical Imaging Program courses and work towards a Bachelor of Technology Degree in Medical Imaging.
Science and Health	Medical Radiologic Technology Diploma	Athabasca University	1-Sep-04	Block credit transfer of 60 c.u. into Bachelor of Science (Human Science)Post Diploma

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Science and Health	Medical Radiologic Technology Diploma	University of Regina	1-Aug-02	60 c.u. into 3year of 4 year Bachelor of Medical Imaging
Science and Health	Occupational Health and Safety Practitioner	Algonquin College	31-Aug-06	Graduates receive exemption from MGT5602 - Management Labor Concerns in Health and Safety.
Science and Health	Occupational Health and Safety Practitioner	University of Alberta	22-Nov-06	Graduates given block credit for Intro to Health and Safety Systems and Fundamentals of Occupational Hygiene
Science and Health	Veterinary Technology Diploma	Athabasca University	20-Sep-04	60c.u. Bachelor of Science (Post Diploma Human Science) or 60 c.u. Bachelor of Science (Human Science)
Science and Health	Veterinary Technology Diploma	University of Lethbridge	20-Mar-01	Graduates are eligible to enroll in the University of Lethbridge's two-year Post-Diploma Bachelor's degree in Agricultural Studies.
Science and Health	Veterinary Technology Diploma	University of Saskatchewan	14-Apr-99	Graduates are evaluated on an individual basis (SIAS graduates receive approximately 1 full year credit for their 2-year SIAS diploma).
Technology	Architectural & Building Technologies	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	Architecture & Interior Design	University of Manitoba	1-Sept-99	Advanced standing and some course credits into Faculty of Architecture but students required to complete one year of Humanities
Technology	CAD/CAM Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	CAD/CAM Engineering Technology	Lakehead University	1-Jan-07	Graduates maybe eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post Diploma program typically consists of 2 years Full time study preceded by transition courses. Check Faculty of Engineering website.
Technology	CADD Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed

SIAST Division	SIAST Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAST graduate
Technology	Civil Engineering Technology	Camosun College Bridging program into UBC	1-Jan-05	Graduates with a cumulative GPA of 70% are eligible for entry into the Civil Engineering Bridging Program at Camosun College. After completion qualified for entry into UBC engineering
Technology	Civil Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	Civil Engineering Technology	Athabasca University	1-Jul-04	Block transfer of 36 credit units
Technology	Civil Engineering Technology	Lakehead University	1-Jan-07	Graduates maybe eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post Diploma program typically consists of 2 years full time study preceded by transition courses. Check Faculty of Engineering website.
Technology	Computer Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	Computer Engineering Technology	Lakehead University	1-Jan-07	Graduates maybe eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post Diploma program typically consists of 2 years full time study preceded by transition courses. Check Faculty of Engineering website.
Technology	Computer Systems Technology	University of Lethbridge	1-Jan-07	Admission granted into two-year Post-Diploma Bachelor of Science in Computer Science--See recent University Calendar description
Technology	Computer Systems Technology	Athabasca University	20-Sept-04	Block credit transfer of up to 45 c.u. in Bachelor of Science (CIS) or 60 c.u. into Bachelor of Science(CIS)Post Diploma

SIAST Division	SIAST Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAST graduate
Technology	Computer Systems Technology	University of Regina	1-Mar-04	Post-diploma admission into Bachelor of Science Program in Computer Science for CST graduates. See University Calendar Description
Technology	Computer Systems Technology	University of Saskatchewan	26-May-08	Graduates of CST to be given full block transfer of 54 c.u. into College of Arts and Science Computer Science programs. Recommend taking CMPT 215.3 and CMPT280.3 in summer prior to U of S start.
Technology	Computer Systems Technology	University of Saskatchewan (Computer Science)	17-Sep-08	Full block transfer of 54 c.u. (corresponding to a near third year standing) into the College of Arts & Science Computer Science programs of Bachelor of Science, 4 yr; Bachelor of Science Honors; Bachelor of Science Honors in Software Engineering (suggested enrollment into intersession&/or summer school before entering into third year) See agreement for details
Technology	Computer Systems Technology	University of Lethbridge	1-Jan-07	Admission granted into two-year Post-Diploma Bachelor of Science in Computer Science--See recent University Calendar description
Technology	Computer-Aided Design & Drafting	Athabasca University	30-Jun-05	30c.u. for Computer Aided Design and Drafting Technical Diploma into Bachelor of Management
Technology	Electrical Engineering Technology	Lakehead University	1-Jan-07	Graduates maybe eligible for advanced standing toward a Degree in engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post Diploma program typically consists of 2 years full time study preceded by transition courses. Check Faculty of Engineering website.
Technology	Electrical Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Technology	Electronic Systems Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	Electronic Systems Engineering Technology	Lakehead University	1-Jan-07	Graduates maybe eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post Diploma program typically consists of 2 years full time study preceded by transition courses. Check Faculty of Engineering website.
Technology	Electronics Systems Engineering Technology	Canadian Armed Forces		NCM-SEP for Naval Technicians
Technology	Environmental Engineering	Lakeland College	7-Jan-05	Direct entry to Lakeland's Bachelor of Applied Science: Environmental Management Degree program
Technology	Environmental Engineering	Royal Roads University	15-Jan-07	Block transfer credit into 3rd year of the Bachelor of Science Degree programs at RRU diploma
Technology	Environmental Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Technology	Forest Ecosystem Technology	University of Alberta	7-Feb-05	Transfer credit of 33c.u. into either Bachelor of Science in Forestry or Bachelor of Science in Forest Business Management.
Technology	Forest Ecosystem Technology	University of Saskatchewan	23-Apr-08	Block transfer of 57 to 60 c.u. into the College of Agriculture and Bioresources: 1) Bachelor of Science in Agriculture (Environmental Science major) or 2) Bachelor of Science in Renewable Resource Management (Resource Science) program
Technology	Geomatics Technology	University of Lethbridge	6-Apr-07	Graduates admitted into a two-year Post-diploma Bachelor's degree program in Geographical Information Science.
Technology	Geomatics Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	Geometrics Technology Diploma	British Columbia Institute of Technology	1-May-07	Block transfer into third year of Geometrics Degree Program
Technology	Instrumentation Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	Integrated Resource Management Program	University of Alberta	7-Feb-05	Maximum transfer credit up to 33 credits into either Bachelor of Science in Forestry or Bachelor of Science in Forest Business Management.
Technology	Integrated Resource Management Program	University of Regina	1-Nov-07	IRM Diploma block transfers into third year of Bachelor of Science in Environmental Biology.
Technology	Integrated Resource Management Program	University of Saskatchewan	23-Apr-08	Block transfer of 57 to 60 c.u. into the College of Agriculture and Bioresources: 1) Bachelor of Science in Agriculture (Environmental Science major) or 2) Bachelor of Science in Renewable Resource Management (Resource Science) program

SIAS Division	SIAS Program	Partner Institution	Signing Date	Description of Transfer Credits granted to SIAS graduate
Technology	Mechanical Engineering Technology	Lakehead University	1-Jan-07	Graduates maybe eligible for advanced standing toward a Degree in Engineering. Faculty of Engineering offers post-diploma programs which enable qualified engineering technology graduates from accredited Canadian Technology programs to obtain engineering degrees. Post Diploma program typically consists of 2 years full time study preceded by transition courses. Check Faculty of Engineering website.
Technology	Mechanical Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
Technology	Resource & Environmental Law	First Nations University of Canada & University of Regina	4-Sep-03	Transfer credit for Resource and Environmental Law Diploma program to a Resource & Environmental Studies degree: 2.5 years remaining to complete degree
Technology	Resource & Environmental Law	University of Saskatchewan	23-Apr-08	Block transfer of 57 to 60 c.u. into the College of Ag Bioresources: 1) Bachelor of Science in Agriculture (Environmental Science major) or 2) Bachelor of Science in Renewable Resource Management (Resource Science) program
Technology	Water Resources Engineering Technology	Royal Roads University	15-Jan-07	Block transfer credit into 3rd year of the Bachelor of Science Degree programs at RRU. WRET diploma plus ENVR 234 and ENVR 235
Technology	Water Resources Engineering Technology	Lakeland College	7-Jan-05	Direct entry to Lakeland's Bachelor of Applied Science: Environmental Management Degree program
Technology	Water Resources Engineering Technology	Memorial University	12-Oct-07	Block transfer into Bachelor of Technology Degree with 39 credit hours (13 courses) to be completed
