| <p>What is PLAR?</p> | <p>Prior Learning Assessment (PLAR) is an evaluation through a valid and reliable process, by qualified specialist(s), of the knowledge and skills that have been learned through non-formal education, training or experience to determine the equivalency for credit to a SIAST course.</p> |
| <p>What can PLAR do for me?</p> | <p>PLAR reduces redundant learning and provides:</p> <ul style="list-style-type: none"> ▪ Recognition for skills and knowledge acquired through prior learning ▪ Portable credentials ▪ Increased employment opportunities |
| <p>How do I know if I'm a candidate?</p> | <p>If you have minimum of one year of successful experience (in the past 5 years) successful work experience in the Therapeutic Recreation (TR), or related health field and can provide evidence of your skills and knowledge to meet learning outcomes with the Therapeutic Recreation Diploma program, you may be a PLAR candidate.</p> <p>Your work experience must be within the last five years and may include a combination of paid and volunteer experiences</p> |
| <p>What are the PLAR options?</p> | <p>You must be registered in a SIAST Therapeutic Recreation program to receive PLAR services. Admission standards for programs will still apply. See admissions policy in the SIAST calendar or website</p> <p>Option A: Individual course challenge</p> <p>If you have previously learned the skills and knowledge for one or more of the Therapeutic Recreation program courses, you may apply to be assessed for each applicable course.</p> |
| <p>How many courses are available by PLAR?</p> | <p>Currently we have 14 out of 19 first year courses and 10 out of 11 second year courses with PLAR challenges available. There is no limit. You may challenge as many of these courses as you are able to prove prior skills and knowledge through assessment.</p> <p>Some courses common to many programs at SIAST (i.e. communications, math, social sciences, and computer applications) are managed by Associated Studies Faculty. To see if the shared courses in your program are PLAR-ready, visit the "Courses common to multiple programs" link on the PLAR homepage for further details.</p> |

| <p>When are PLAR challenges offered?</p> | <p>PLAR challenges are currently being offered on an ongoing basis between the months of September and May. Applications must be received in their entirety by May 31st to ensure that they will be processed by the end of the academic year in June.</p> |
| <p>How much does PLAR cost?</p> | <p>To find fees for your course(s) visit the PLAR database and select your program of study from the first dropdown list of programs or search the course name and code using the “keyword search” option.</p> <p>For assistance, call SIAST and ask to speak to the PLAR advisor/counsellor at: 1-866-467-4278 or 1-866-goSIAST.</p> |
| <p>Are there methods other than PLAR to gain SIAST course credits for prior learning?</p> | <p>Transfer Credit</p> <p>SIAST may grant a transfer credit for course(s) from a recognized credit-granting post-secondary educational institution. The training must be similar in content, objectives and evaluation standards to SIAST training.</p> <p>Major changes in program content may require that the student repeat or seek prior learning assessment recognition for the course for which transfer credit is requested.</p> <p>Any transfer credit agreements with this program are listed in the candidate guide.</p> <p>For specific information and guidelines regarding transfer of credit, contact a SIAST educational counsellor or refer to the SIAST website: http://www.siastr.sk.ca/stuservices/plar/transfer_credit.shtml</p> <p>If your training does not qualify for credit transfer you may ask for a review of your learning through the PLAR process.</p> <p>Equivalent course credit</p> <p>The Therapeutic Recreation program may recognize credit for a specific SIAST course(s) on the basis of previous credit in another SIAST course(s) with similar content.</p> <p>If the curriculum no longer qualifies for equivalency, a student may request PLAR for the course(s) if additional learning has occurred to meet the change in the current learning outcomes.</p> |
| <p>What do I need to prepare for a PLAR assessment?</p> | <p>Credit is earned for proven knowledge and skills. You will be assessed on your competence in the learning outcomes for each course. For more information on the learning outcomes, criteria, and the form of assessment please refer to the Therapeutic Recreation Diploma program PLAR candidate guide & self-audit package</p> |
